School Improvement Grant (SIG) Competition

The School Improvement Grant (SIG) provides funding to help local educational agencies (LEAs) address the needs of sch corrective action, and restructuring to improve student achievement. SIG funds are to be used to leverage change and in assistance through LEAs targeting activities towards measurable outcomes. Expected results from the use of these funds student proficiency, increasing the numbers of schools that make adequate yearly progress, using data to inform decision system of continuous feedback and improvement.

This program provides financial assistance to LEAs with "persistently lowest-achieving" schools to substantially raise stude those schools and to enable the schools to make Adequate Yearly Progress.
