***NOTE:** Due to changes in the graduation formula, it is imperative that no comparisons be made between graduation data from 2009 and earlier and graduation data from 2010 and beyond because:

1. The 2009-2010 graduation data and beyond uses the Four-Year Adjusted Cohort formula which is significantly different than the NCES and NCLB formulas.
2. The 2002-2003 through 2008-2009 graduation data uses the No Child Left Behind (NCLB) formula.
3. Graduation data available from this site prior to 2002-2003 uses the National Center for Education Statistics (NCES) formula.
