

Report Card 2010 - 2011

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2010-2011 school year, the state did not make AYP. More information on the state's performance on the AYP measures is provided below.

Report Card 2009-2010

STATE OF KANSAS

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2009-2010 school year, the state did not make AYP. More information on the state's performance on the AYP measures is provided below.

Report Card 2008-2009

STATE OF KANSAS

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2008-2009 school year, the state did not make AYP. More information on the state's performance on the AYP measures is provided below.

Report Card 2007-2008

STATE OF KANSAS

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2007-2008 school year, the state did not make AYP. More information on the state's performance on the AYP measures is provided below.

Report Card 2006-2007

STATE OF KANSAS

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2006-2007 school year, the state did not make AYP. More information on the state's performance on the AYP measures is provided below.

Report Card 2005-2006

STATE OF KANSAS

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2005-2006 school year, the state did not make AYP. More information on the state's performance on the AYP measures is provided below.

Report Card 2004-2005

STATE OF KANSAS

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2004-2005 school year, the state did not make AYP. More information on the state's performance on the AYP measures is provided below.

Not taught by not highly qualified	6.53%	9.35%	5.70%

- Teachers in Kansas are considered fully licensed when they hold a valid Kansas teaching certificate/license with the appropriate subject and grade level endorsement for the assignment they hold.
- Teachers in Kansas are considered not fully licensed when they do not hold a valid teaching certificate/license, when they are teaching in a subject area or grade level for which they are not endorsed, when they have a provisional teaching certificate/license, or when they are teaching on a waiver.
- Fully licensed data does not include administrators, librarians, counselors and other support personnel.
- Core Content Courses are defined as elementary, English/language arts, reading, mathematics, science, foreign language, civics and government, economics, arts, history, and geography.

Report Card 2003-2004

STATE OF KANSAS

SCHOOL ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2003-2004 school year, the state did not make AYP. More information on the state's performance on the AYP measures is provided below.

Not taught by not highly qualified	5.98%	7.58%	5.10%

- Teachers in Kansas are considered fully licensed when they hold a valid Kansas teaching certificate/license with the appropriate subject and grade level endorsement for the assignment they hold.
- Teachers in Kansas are considered not fully licensed when they do not hold a valid teaching certificate/license, when they are teaching in a subject area or grade level for which they are not endorsed, when they have a provisional teaching certificate/license, or when they are teaching on a waiver.
- Fully licensed data does not include administrators, librarians, counselors and other support personnel.
- Core Content Courses are defined as elementary, English/language arts, reading, mathematics, science, foreign language, civics and government, economics, arts, history, and geography.
